## Summary

I am a game programmer from India. Have Completed Unity 2D and 3D game development and currently working on Unreal Engine Game Development. You can see some of my works from my portfolio. (the link is given below.). So far I have created 13 games from basic flappy bird clone to a 3D FPS zombie game. Currently am pursuing B.Tech in computer science engineering and learning more about game development.

Other than games i love music,films,series,anime and coffee too.
