Hi,

I am a game programmer from India. Have Completed Unity 2D and 3D game development and currently working on Unreal Engine Game Development. So far worked on 13 individual projects from a basic flappy bird clone to 3D FPS zombie shooter game. You can see some of my works from my portfolio. (the link is given above.)

I am a game enthusiastic.

I really enjoy and having fun while making games too.

That's when i decided to become a Game Programmer, more specifically Gameplay Programmer. I am doing my Computer Science Engineering from a reputed college in India , and learning game development from online sources.

Other than games I love music, movies, series and coffee too.

Thank You,
