Summary

Hi,

I am a game programmer aspirant from India.

I love playing games since i was in school and, i really enjoy and having fun while making it too.

That's when i decided to become a Game Programmer,more specifically Gameplay Programmer.

I am doing my engineering from a reputed college in India in Computer Science Engineering, and learning Game development form online sources too. And have started to Build some.

I really enjoy making games and pretty good at programming too.

Other than games i love music,films,and series and coffee too.

Thank You,
